ADDENDUM # 2

TO ALL BIDDERS:

You are hereby notified of the following changes to the above mentioned bid:

Please note the following specification requirements for the provision of radio cables and antennas.

Spec Code 22313D.13 – Section 4.44.3 Radio mounting Console page 63 of 81

In the paragraph beginning with “Bulk head wall behind rivers seat” the City mentioned that there are new cable numbers that should be used, please provide the correct cables and model of new radio to be installed.

*The City is now using **Motorola model number M2OURS9PW1AN**. The cables come in different sizes so the up-fitter will need to order accordingly. This new style as requires power cables to be run to each radio head. The cables are as follows:*

- HKN6170A - 10' cable remote mount
- HKN6169A - 17' cable remote mount
- HKN6168A - 30' cable remote mount
- HKN6188A - 10' POWER CABLE
- HKN6166A - 75' cable remote mount
